

11 Newton Street Maryborough VIC

3 2 1

A fantastic location here if you want the convenience of being close to hospital, shops, services, and school. The three-bedroom weatherboard home with an ensuite bathroom and a wall robe to the main. Lounge with reverse cycle split system. Kitchen dining area with good storage and adjacent carport. The home is all electric, with lovely high ceilings and new floorcoverings throughout.

Corner block with vehicle access from Raglan Street, blank landscape ready for you to create gardens or extra shedding STCA. The home is an old Victorian, and it still has the character of the past and is not perfect - but it has been extensively renovated throughout to be comfortable, bright, and ready for inspection.
