

CA2 SEC 4 Langley Lane McIntyre VIC

Situated in the heart of the Goldfields prospecting region of Victoria is this little nugget of possibility. On around 3.95 acres of land in the farming zone, as far as building is concerned, it may not be the dream country position; however, for a weekend for base camp, it could be just the one you are searching for. The caravan is already here. So lets talk about this further

Price : \$99,000 - \$105,000
